

# What can you do all by yourself?

What can you do all by yourself?  
What can you do all by yourself?  
What can you do all by yourself?  
How about you, \_\_\_\_\_!

I can RUN all by myself  
I can RUN all by myself  
I can RUN all by myself  
That's what I can do!

I can spin all by myself.  
Will you spin with me?
